Total Electricty usage (kWh) University Malaysia Pahang Campus, 12 months
from September 2021 to August 2021 (for reference)

Description:
(*Please describe the electricity usage per year on your campus. The following is an example of the description. You can describe more related items if needed*.)

Total Electricity usage last 12 months (year 2022) is **18,296,937.00 kWh**. The usage of this year increases to 16.8% compare to the last year (2021). It is mainly because students and staffs are allowed to enter the campus due to Malaysian toward endemic. 75% students are allowed to enter the campus starting 2021.
