[2] Energy and Climate Change (EC)

[2.14] Impactful university program(s) on climate change

The banner features the title "UNIT LESTARI UMP" in large white letters on a blue background. Below the title, on the left, is the UMP logo (a stylized 'U' with a yellow diamond) and the text "اونيورسيتي مليسيا قهغ" and "UNIVERSITI MALAYSIA PAHANG" in blue. Below this is "PUSAT PEMBANGUNAN DAN PENGURUSAN HARTA". On the right, is the "mysun" logo (a green leaf and sun icon) with the text "Malaysia Sustainable University Campus Network" and "Capacity Building Higher Education". Below this is the European Union flag and the text "Co-funded by the Erasmus+ Programme of the European Union". At the bottom center, it says "UMP MYSUN".

Examples of **Impactful university program** (Universiti Malaysia Pahang, Malaysia)

Descriptions:

MYSUN or Malaysia Sustainable University Campus Network was established on 9 August 2016. The purpose is to strengthen the sustainability-focused institutions of higher learning in Malaysia. MYSUN mission is to foster collaboration in developing and offering sustainability solution and model, to promote knowledge of sustainable development through education, research and public outreach program and to drive the transition to living in balance with the environment.

MYSUN is an international collaboration project that co-financed by the European Commission through Erasmus+ program. 8 local universities and 3 Europe country universities has been involved as project partner network namely Universiti Putra Malaysia as coordinator, Universiti Utara Malaysia, Universiti Teknologi Mara, Multimedia University, Universiti Teknologi Malaysia, Universiti Malaysia Sarawak, Universiti Malaysia Sabah, Universiti Malaysia Pahang, University of Alicante (Spain), Universita degli Studi de Genova (Italy) dan FH Joanneum Gesellschaft mbH (Austria).

MYSUN Universiti Malaysia Pahang is coordinate by four (4) passionate staff and researcher that champion in their own field involving sustainability and green campus initiatives lead by Professor Ts. Dr. Mohd Rusllim Mohamed (Vice-Chancellor of Student Affairs & Alumni) as Project Leader, Associate Professor Ts. Dr. Hamzah

Ahmad as Research officer, Ts. Mohd Nurulakla Mohd Azlan as Technical Officer and Mr. Saharudin Ramli as Administrative Officer. As a network that identified to promote sustainability and green campus agenda, MYSUN specifically aims;

- To strengthen the human capacities in university campuses' sustainability and energy efficiency in Malaysia;
- To develop a platform to promote and support a culture of sustainable HEI campuses in the Malaysian higher education system through the establishment of the MYSUN Network and the delivery of a pilot MOOC on sustainability in HEI campuses.
